

**Dear Friends,**

Thank you for your interest in our educational community! **BASIS.ed** is currently seeking teachers who want to work in a highly social and uniquely collaborative environment.

We are looking for teachers who:

- Are **passionate** about their subjects and the **learning experience** of students
- Are **hungry** to become a **value-adding** staff members who give students access to an education they might otherwise never have
- Are **eager** to join a **high-energy, high-performing** team that provides real responsibility and leadership opportunities
- Are **ready** for this challenge **right now**

As an educational community we:

- Embrace a system that balances **unity and support** in all of our classrooms through common high standards
- **Empower teachers** to find innovative ways to meet those standards
- **Provide structured guidance** through a network of “Subject Advisers” (mentor teachers sprinkled throughout our schools)
- Foster individual development and **encourage ambition** by allowing teachers to shape the way they instill their expert knowledge

Additional facts about BASIS.ed-managed schools:

- Our gold-standard international network of schools provides you with an **incredible opportunity**, whether **you decide** to stay in the classroom and grow as a curricular expert, or move into school management role
- **We are rapidly growing** and currently manage open enrollment, tuition-free **public charter schools** in Arizona, Texas and Washington, D.C., as well as **private, tuition-based schools** in the great metro areas of Brooklyn, Silicon Valley, and Northern Virginia; and the first of many **international schools** in Shenzhen, China
- The BASIS.ed environment is **social, supportive, and collaborative**. The BASIS.ed Link & Assessment (BeLA) system, developed and managed by BASIS.ed curriculum experts, ensures that you'll have access to the best curricular innovations, syllabi, and lesson plans crowd-sourced and shared by our teachers in the U.S. and abroad

Simply put, BASIS.ed is **one of the most acclaimed PreK–12 learning communities in America**. But don't take our word for it — just look at the results in our *Outcomes* magazine.

**This is our truth:** BASIS.ed-managed schools are great because at the heart of our organization is the co-creative life of our classrooms where, together, **teachers and students are deeply involved in learning. We hold the classroom in high esteem and recognize the student-teacher relationship as the most vital part of our program.** BASIS.ed is a place where you can invest yourself, your ambitions, and your passion in the future of education.

Drop us a line to start the conversation. We look forward to hearing from you.

My best wishes,

**Peter Bezanson**
